

CaluClean I3 Ready-to-use Spray Cleaner

CHARACTERISTICS:

Spray Cleaner is a ready-to-use cleaner for quick and streak-free cleaning of all washable surfaces such as tables, desks, mirrors, separation glass, all plastics, chrome etc.

Spray Cleaner removes adhered dirt and finger marks.

Spray cleaner dries streak-free.

The product is economical to use and unscented, therefore also suitable for use in the food environment.

Spray cleaner also cleans heavy deposits such as nicotine, soot, grease and atmospheric contaminants.

INSTRUCTIONS:

Spray the surface to be treated lightly, let it soak in if necessary and wipe off with a clean interior cloth or cleaning.

SAFETY INFORMATION:

Safety data sheet available on request.
